

How to separate household garbage

★ Use the appointed garbage bags and place household garbage by 7:30 on the morning of the appointed day.

★ If you take out household garbage before or after the appointed day, it would be problems of your neighborhood.

Garbage kinds		An example		Designated bag	Notes
Combustible garbage		    		 White bag 大・中・小	<ul style="list-style-type: none"> Do not mix with incombustible garbage.
Recycle	Metal	  		 Transparent bag 中・小	<ul style="list-style-type: none"> Beverage cans and other metals should be sorted. You can put the aluminum cans and steel cans into the same bag if they are for beverage.
	Bins	   <p>(Take out broken bottles on the incombustible garbage days.)</p>			<ul style="list-style-type: none"> Remove caps and rinse glass bottles. Metal caps are classified into the other metal. Sort bottles by color.
	PET bottles				<ul style="list-style-type: none"> Remove plastic caps and plastic labels from PET bottles and rinse the insides. Plastic caps and plastic labels from PET bottles are classified into plastic containers and wrapping.
	Plastic containers and wrapping			 Transparent bag 大・中・小	<ul style="list-style-type: none"> Rinse trash before throwing it away. Items with the plastic mark are classified as plastic containers and wrapping.
	Paper	<p>(Take out liquor packs with aluminum on the incombustible garbage days.)</p>      <p>(When it is rainy, do not place them.)</p>			<ul style="list-style-type: none"> Carpet blanket bedding and cushions are excluded. Treat very dirty as combustible garbage.
Other incombustible garbage		        		 Transparent bag 中・小	<ul style="list-style-type: none"> Wrap broken dishes in newspaper. Remove batteries from toys. Remove the gas from the lighter.
Garbage with mercury		Please bring it to collection boxes for it at the city hall or branch offices below. Please do not dispose of it at the garbage station. (Tosayamada-cho environment division, Shigeto branch office, Plaza Hachioji, Welfare center) Fluorescent light/Dry cell/Mirror/Thermometer
